

Final Exam Schedule and Room Reservations

The majority of exams are scheduled to take place during the regularly scheduled time for that class during Week #17. However, general education courses will utilize an alternative schedule for final exams. Please see the information below for the following courses:

- BIOS110
- BIOS203
- BIOS204
- BIOS204L
- BIOS205
- BIOS221
- BIOS410
- BIOS335
- CHEM110
- CHEM210
- CHEM103
- MATH095
- MATH105
- MATH155
- MATH205
- PSYC201

For all other courses, please refer to your syllabus for final exam information. If for some reason you have two exams scheduled to overlap, please contact both faculty with this information and an alternative exam time for one of your courses will be determined.
